

**8600**

AudioVideo power supply stabilized with timer cabling Traditional.  
 Supply: 230 V a.c., 35 VA.  
 Outputs: 16 V a.c., 12 V d.c., 18 V d.c.  
 Dimensions: 185x100x77 mm.  
 (10,5 DIN modules).

**8604**

AudioVideo additional power supply, cabling Traditional and Simplified to connect monitors with Image Memory in multi users systems.  
 Supply: 230 V a.c., 35 VA,  
 Outputs: 18 V d.c., 1 A.  
 Dimensions: 185x100x77 mm.  
 (10,5 DIN modules).

**8843**

AudioVideo automatic switch cabling Traditional. For Video systems with 2 main video entrance panels or with 1 main and more stairs video entrance panels.  
 Inputs: 18 V d.c.  
 Dimensions: 185x100x77 mm.  
 (10,5 DIN modules).

**ACCESSORIES**

**2052/E**

Audio amplified speaker unit cabling Traditional, with embedded electronic call and call tone feedback.  
 Speech volume adjustment.

**8050**

B/W CCD camera 1/3", lens f.2,0/3,6 mm, 6 IR LEDs for night vision, cabling Traditional.  
 Video outputs signal on coax cable.  
 Supply: 18 V d.c.

**8050/C**

Colour CCD camera 1/4", lens f.3/2,8 mm, cabling Traditional.  
 Video outputs signal on coax cable.  
 Supply: 18 V d.c.

**853**

Additional external piezoelectric buzzer.  
 Supply: 15 V a.c./d.c.

**853/1**

External passive call repeater. To connect in systems with electronic call.  
 Supply: 15 V a.c./d.c.

**859/20**

Interface relay with 1 contact 2NO-2NC.  
 Supply: 12÷24 V a.c./d.c.  
 Dimensions: 70x86x71 mm. (3 DIN modules).

**859/21**

Interface relay with 2 contacts 2NO-2NC + 2NO-2NC.  
 Supply: 12÷24 V a.c./d.c.  
 Dimensions: 70x86x71 mm. (3 DIN modules).

**861/4**

Active Video distributor 4 outputs cabling Traditional, for video systems with coax cable.  
 Amplification: 1 db.  
 Supply: 18 V d.c.  
 Dimensions: 73x77x26 mm.

**SUO/V**

Additional buzzer cabling Traditional and Simplified.  
 Can be fitted inside the telephone "ELITE".  
 Supply: 12/15 V a.c.

**SUO/E**

Additional tone generator cabling Traditional and for telephone "ELITE PLUS" with more than 3 telephone in parallel.  
 Can be fitted inside the telephone "ELITE".
